TENT / CANOPY INFORMATION:

1. All tents subject to site check & price change.
2. We deliver and set-up all tents / canopies (delivery fees apply and depend on the delivery location)
3. Tents must be anchored to the earth with iron stakes from 21" to 44" deep in dirt and asphalt applications
4. Frame tents may be secure with water barrels and may not require stakes. Water must be available on site, within 200 feet, at your cost. Water barrels as tie-down ballast is subject to prevailing weather and site layout.
5. **The renter is responsible for obtaining and paying for all permits and taxes. (Local Fire Marshall)**
6. Cooking or open flames are NOT ALLOWED under or near any of our tents
7. You must locate all imbedded items and overhead obstructions and have them clearly marked. Overhead obstructions must not touch our tents.
8. To install any tent we must have an area four feet (4') longer and wider than the measurements listed.
9. **We cannot install any tent over structures, trees or shrubs. Once installed the canopy cannot be moved until take-down.**
10. During installation and take down the area under the unit must be clear.
11. **WE ARE NOT RESPONSIBLE FOR ANY DAMAGE TO TREES, GRASS, ASPHALT, CONCRETE, SHRUBS OR IMBEDDED ITEMS.**

NOTE: LATE TENT ORDERS, RECALLING CREW, OR AFTER-HOURS INSTALLATION AND/OR TAKE DOWN WILL INCREASE YOUR TENT/CANOPY COST.
